God, we ask that all who are affected by this virus be held in your loving care. In this time of uncertainty, help us to know what ours is to do. We know you did not cause this suffering but that you are with us in it and through it. Help us to recognize your presence in acts of kindness, in moments of silence, and in the beauty of the created world. Grant peace and protection to all of humanity for their well being and for the benefit of the earth.
